**+ Add App**

Search for and embed publicly available: flashcards and question sets from Quizlet. Please note: this tool does not utilize Quizlet's login capabilities so it will only search content that has been publicly available.

The tool is very easy to set up and only requires the configuration URL. Once added to a course, you'll find a Quizlet button in your content editor that allows you to search the Quizlet public collections. Once a Quizlet is found, simply click on "Add Quizlet" to embed the flashcards directly within the content.

## Step - 7. Type the name of the App (preferably the original name)

The screenshot shows the Canvas LMS interface. On the left is a navigation sidebar with 'Settings' highlighted. The main content area is titled 'External Apps' and shows a card for 'Quizlet' with a '+ Add App' button. An 'Add App' modal window is overlaid on top, containing a text input field with 'Quizlet' typed in it. Below the input field are 'Close' and 'Add App' buttons. The background also shows a list of course actions on the right side of the page.

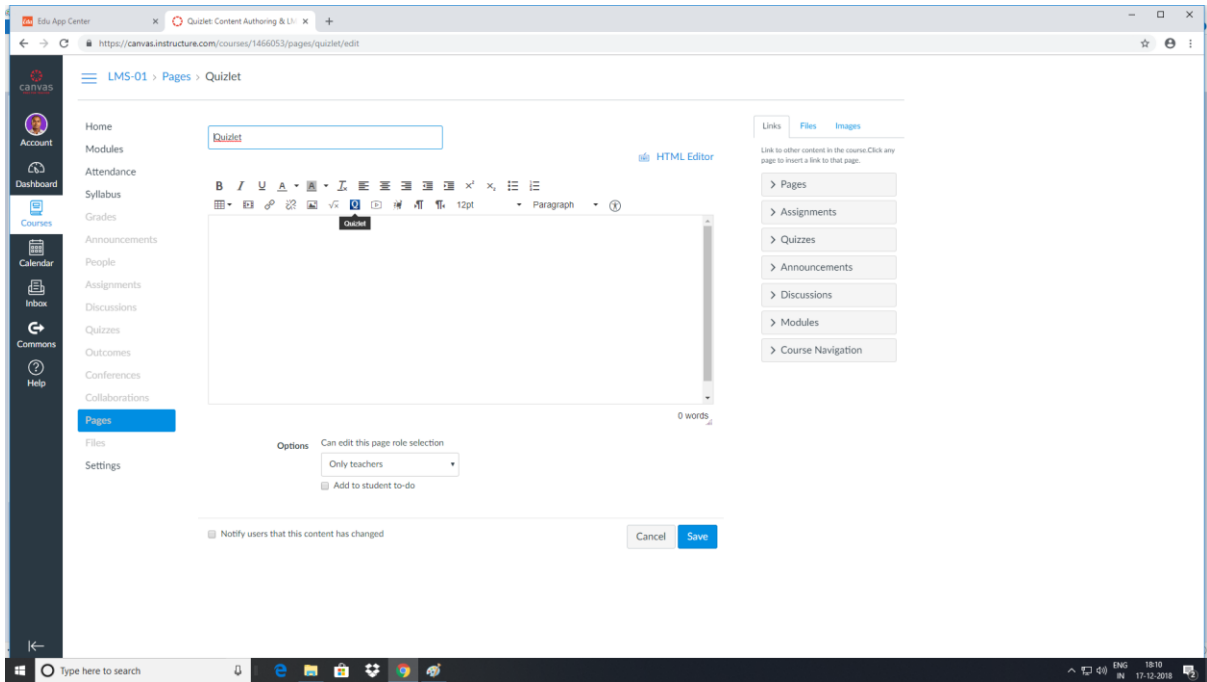

## Step - 8. Click on “Modules” in your Canvas Course

The screenshot shows the Canvas LMS 'Modules' page. The 'Modules' tab is selected in the left sidebar. The main content area displays a list of modules. The first module is 'Test Module', which contains items: Lesson Objectives-2, Pre-assessment Quiz (0 pts), Discussion, Voice Thread PPT, ThingLink, Audio.wav, Audacity, and YouTube Online Video. The second module is 'Week 1', which contains items: Knowledge Quiz 01 (0 pts), VoiceThread, and Padlet. Each item has a green checkmark icon on the right. At the top right of the module list, there are 'View Progress' and '+ Module' buttons.

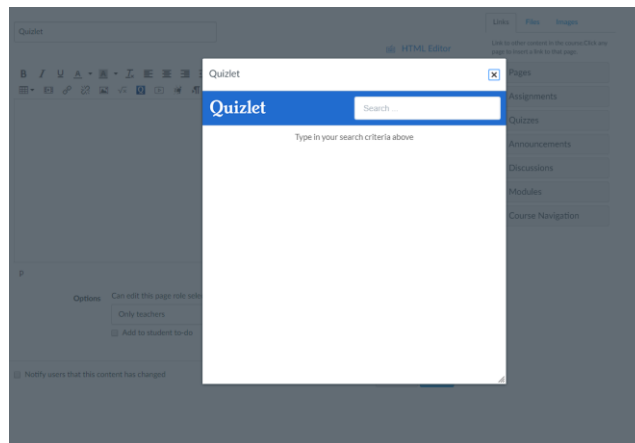

## Step - 9. Click on “+” icon for creating a new page item

The screenshot shows the Canvas LMS 'Pages' page. The 'Pages' tab is selected in the left sidebar. The main content area displays a 'Quizlet' page. At the top right, there are 'Published' and 'Edit' buttons. Below the page title, there are 'Previous' and 'Next >' buttons. The sidebar on the left shows 'Pages' highlighted.

**Step - 23.** Try selecting “Test” from the “Choose a Study Mode” drop-down list

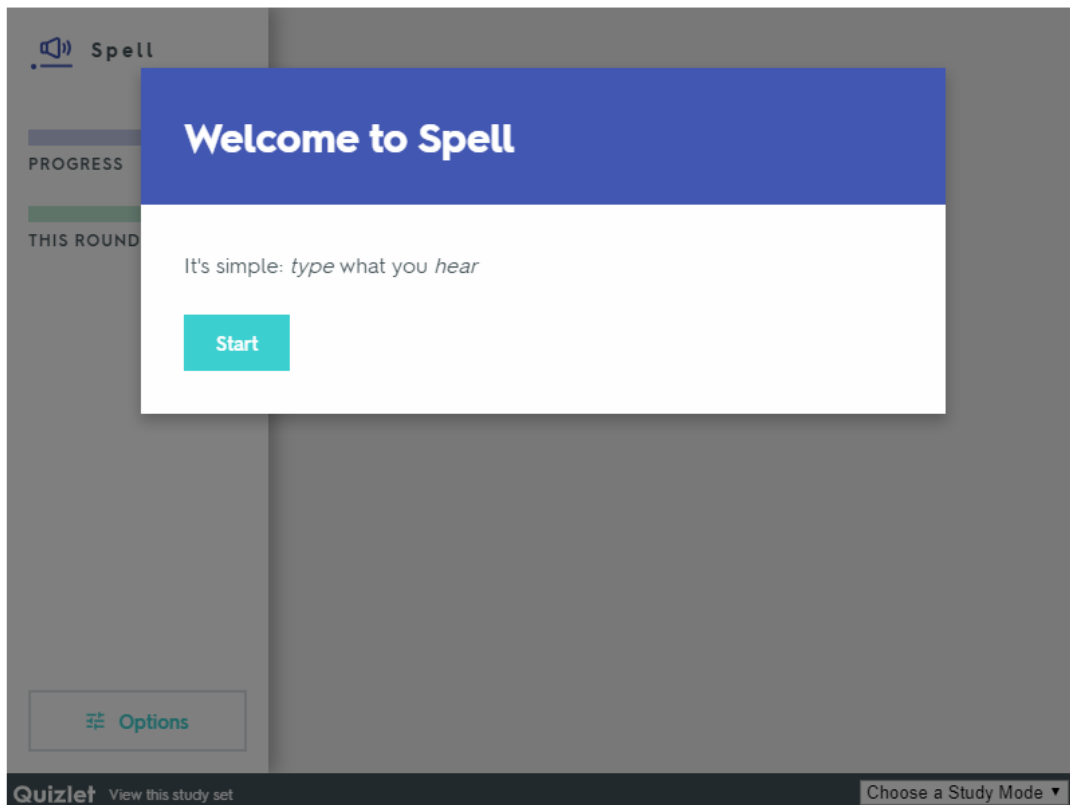

Quizlet

The screenshot shows the Quizlet interface for a 'Test' study mode. On the left, there is a document icon labeled 'Test', a 'Print test' button, and an 'Options' button. The main content area displays '5 Written questions' with four numbered items, each followed by a horizontal line and the text 'TYPE THE ANSWER'. The questions are: 1. to perform the actions that allow you to begin using a computer system; 2. to exchange information, news, ideas, etc. with sb; 3. to add sth to a piece of writing; 4. the activity of running a business, school or other organization. At the bottom, there is a dark navigation bar with the Quizlet logo, 'View this study set', and a 'Choose a Study Mode' dropdown menu.

**Step - 24.** Try selecting “Spell” from the “Choose a Study Mode” drop-down list and Click “Start”

Quizlet

The screenshot shows the Quizlet interface for a 'Spell' study mode. A blue banner at the top reads 'Welcome to Spell'. Below it, the text says 'It's simple: type what you hear'. A prominent teal 'Start' button is centered. In the background, a sidebar shows 'PROGRESS' and 'THIS ROUND' sections. At the bottom, there is a dark navigation bar with the Quizlet logo, 'View this study set', and a 'Choose a Study Mode' dropdown menu.

**Step - 25.** Once completed the “Spell”, the Progress Checkpoint is displayed

Quizlet

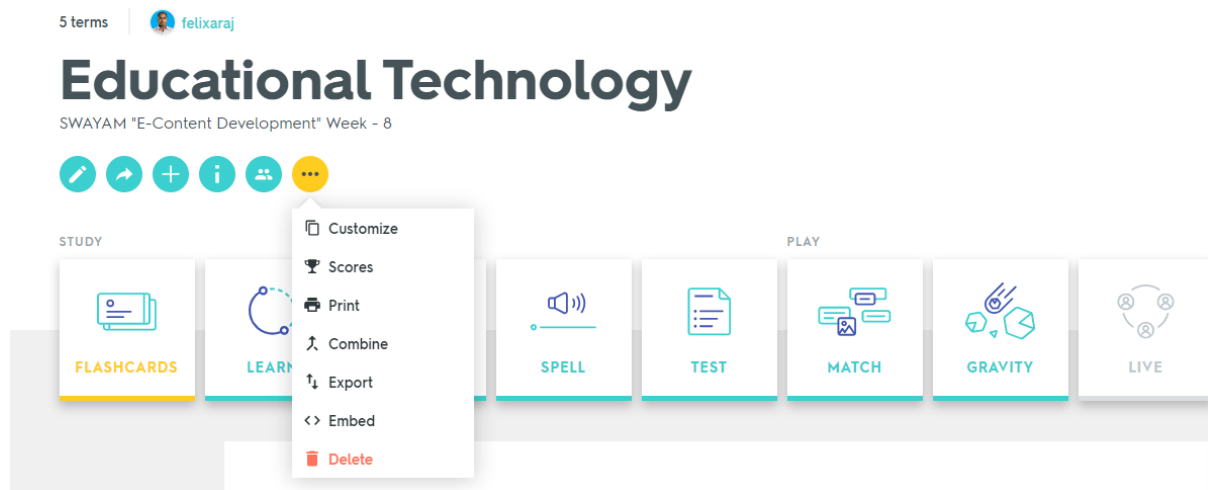

The screenshot shows the Quizlet interface during a 'Spell' activity. On the left, there is a progress bar for 'PROGRESS' at 20% and 'THIS ROUND' at 7/7. Below this is an 'Options' button. The main area is titled 'Progress Checkpoint' and features a large teal 'Continue (9)' button. Below the button, three statistics are displayed: '10 UNKNOWN' (two empty circles), '7 LEARNED' (one filled green circle and one empty circle), and '0 MASTERED' (two filled green circles). Underneath, a 'Just seen' section shows a green checkmark, a filled green circle, and an empty circle, followed by the word 'communication (n)' and its definition: 'the activity or process of expressing ideas and feelings or of giving people information'. At the bottom, there is a 'Quizlet View this study set' link and a 'Choose a Study Mode' dropdown menu.

**Step - 26.** Please note this “Quizlet” app does not utilize Quizlet’s login capabilities so it will only search content that has been publicly available.

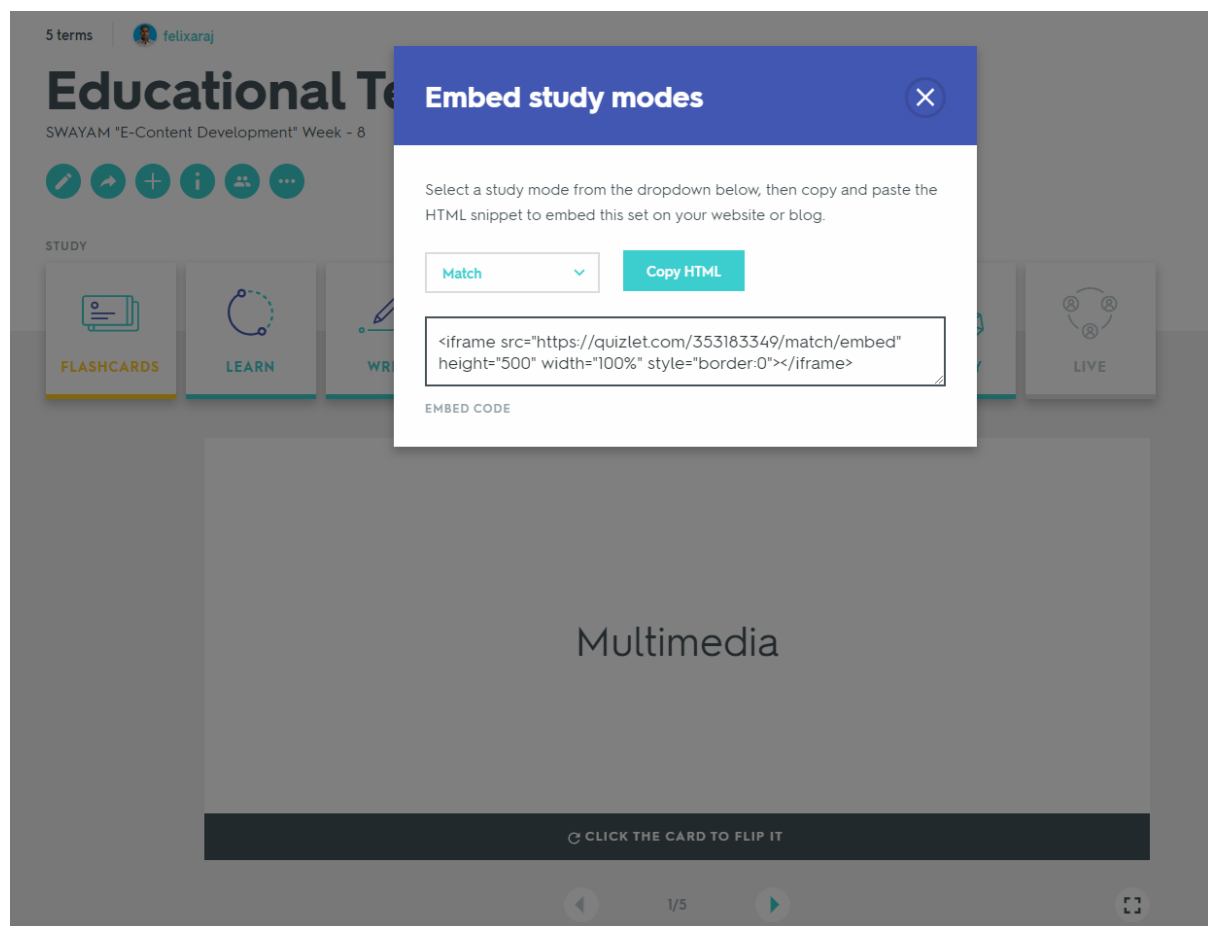

**Step - 27.** Create login credentials in “Quizlet”. And create your first flash question set

The screenshot shows the Quizlet interface for a study set titled 'Educational Technology' by user 'felixaraj'. It indicates '5 terms' and 'SWAYAM "E-Content Development" Week - 8'. Below the title are several icons for editing and sharing. The interface is divided into 'STUDY' and 'PLAY' sections. The 'STUDY' section includes 'FLASHCARDS' (highlighted), 'LEARN', 'WRITE', 'SPELL', 'TEST', 'MATCH', 'GRAVITY', and 'LIVE'. The 'PLAY' section is currently empty. The main content area displays the word 'Multimedia'. At the bottom, there is a dark bar with the instruction 'CLICK THE CARD TO FLIP IT' and navigation controls including a back arrow, a '1/5' indicator, a forward arrow, and a full-screen icon.

**Step - 28.** Get the embed code by clicking more options “...”

**Step - 29.** Copy HTML and paste it in your Canvas Course (Page Item) under “HTML Editor”

**Step - 30.** Access the URL [https://quizlet.com/\\_5u9y0l](https://quizlet.com/_5u9y0l) and try the sample flash cards

Thanks for your interest and motivation to create a Quiz in Canvas Course using “Quizlet”.
